But Are Never Gone
FROM MY HEART”

01

SHARING

How do you want your loved one to be remembered? **We are here to help you tell their story.** By sharing memories and information within this guide, you will help us begin to get to know your loved one so that we can begin to co-create your loved one's Life Celebration®. It is our mission at Burns Garfield Life Celebration® Home to guide you through this experience and to help you begin to heal.

02

CREATING

It is our **passion to create unique and personalized memorial tributes.** We will incorporate all of the details you include within this family guide into your loved one's services. Please provide us with up to 25 photos that are representative of the span of your loved one's life. Bring them in with you for the arrangement conference or a few days before the service. You can also share the images with us digitally via email. We are here to help you every step of the way.

03

CELEBRATING

We encourage our families to celebrate the life of their loved one. **The love of our family and friends who have passed away does not leave us.** Love lives on through memories and stories shared. We will celebrate the life of your loved one with personalized touches and unique tributes centered around your loved one's unique life.
